PRORACE EVO CHASSIS AND BODY SHELLS

NINCO presents a new concept within the PRORACE EVO range; a new concept of spares for competition. The 'Pilot's brand' offers a new incentive to users: personalize, prepare and repair... always with the best track performance.

PRORACE EVO BODY SHELL:

- Assortment of the most competitive models.
- Colour - White, in order to personalize with the liveries of different teams.
- Ultra light moulded cockpit.
- Totally dismantled, to facilitate decoration
- With all elements separate for spares in case of breakage

PRORACE EVO CHASSIS:

- Selection of the most competitive models.
- New material more resistant: LEXAN IN
- Transparent, in order to visually control the mechanic elements without opening the car.
- Mechanized motor holder with screw fixing (screw included).
